PARENTS ÉDUCATEURS *du Nouveau-Brunswick*

Leadership Breakfast 2017

The Journey Church - Brentwood Campus
155 Dickson Blvd., Moncton, NB
October 21, 10 am - 12 pm

Are you a local support group leader? A secretary, co-op organizer, treasurer, or in another leadership role helping other home educators in your local area?

THIS IS FOR YOU!

Each fall the HENB Board hosts a "Leadership Breakfast" to encourage you, provide support for you, but mostly to allow you to connect with other leaders

from around the province and provide valuable feedback into the provincial organization.

There have been changes as the Dept. of Education District Offices asking for more information from home educating families; The results from the home education survey are in and we are going to partner with HSLDA to tackle post-secondary education and attempt to lessen the requirements for graduates.

HENB is also working on several MOU's with post-secondary institutions that will provide scholarships and other perks for HENB member graduates and a quick track to enrollment at larger Universities.

There is lots happening - and we'd like your perspective - so plan to come spend the morning with us in Moncton at the 2017 edition of the Leadership Breakfast! Please inform anyone this applies to in your group. [RSVP here](#)

Rod Cumberland
HENB President
