## *Are you connected?*

*It can make all the difference!*

## *Locally...*

They are your frontline! They are the families you and your children will interact with often. They will be the parents you toss ideas with, pray for, and call when you need an "ear". These will be your child(ren)'s friends. Find the [local support group](#) closest to

you.

## *Provincially...*

You do not homeschool alone in this province. When you [join HENB](#), you instantly connect with over 150 other families in New Brunswick. You make us a strong body should we ever need to lobby the government. You allow us the baseline to provide this newsletter, and all of our events as we seek to connect, advocate, support and educate.

## *Nationally...*

Overall, [membership with HSLDA](#) provides peace of mind for you and your family during your homeschooling journey. Members can say that homeschooling is better with HSLDA. We'd love for you to be able to say the same.
