*Welcome Israel Wayne!*  
*Our conference keynote speaker!*

Israel Wayne and his wife Brook are both second generation homeschoolers and

are raising their 10 children in SW Michigan. Israel is Director of Family Renewal and an author and conference speaker who has a passion for defending the Christian faith and promoting a Biblical worldview. He has written numerous books and articles and is a frequent guest on national radio and television.

Israel desires to see God's people learn to think and live Biblically.

Aiming for both the head and the heart, Israel's goal is to challenge audiences to take every thought captive and make it obedient to Christ. In his words, "God's Word applies to all areas of life. There is not one facet of our existence which does not fall under the direct claim of Lordship by Jesus Christ. This includes how we spend our money, what entertainment we consume, *how we educate our children*, how we use our time, etc. All of life must be understood from within a Biblical worldview"
